# **140 Westminster Drive Supported Accommodation**

Our welcoming four-bedroom residence at 140 Westminster Drive, Westcliff-on-Sea offers more than just accommodation — it provides a supportive, stable environment where adults can feel settled and thrive.

Set in a well-connected coastal neighbourhood, the home is ideally located for everyday independence, with local shops, healthcare services, and public transport links close by, and easy access to Southend town centre. Nearby green spaces and the seafront offer opportunities for fresh air, routine, and wellbeing, while the quiet residential setting supports privacy and a calm home environment.

With the right balance of tranquillity and convenience, residents can build confidence, maintain community connections, and take positive steps toward greater independence in daily life.
